

Job posting AAU

Student Assistant Telecom Engineer for TT-Network, the largest mobile network in Denmark, our office is located at Amager Strandvej, Copenhagen or Novi, Aalborg

TT-Network is owning, planning and running Telia's and Telenor's joint Danish mobile network. With more than 4000 mobile sites around Denmark, it is the largest, most used and most meshed network in Denmark, delivering world-class mobile experiences to the customers of Telia and Telenor.

The team

You will become part of the roll out team and our main task is to implement the network upgrades in accordance with the plans year on year. The team mainly assure accurate and timely follow up against plans and assure that we deliver on time.

The position

You will support the team in:

- ✓ Assist in following up with respect to projects
 - Assuring progress
 - Assuring timely reporting
- ✓ Updating and developing relevant databases (site)
- ✓ Support our main subcontractors
- ✓ Support with normal administrative tasks in the team

We expect your tasks will develop over time, depending on your competences and interests.

You and your qualifications

You are ready to support our experts in developing and deploying the Best Mobile Radio Network in Denmark. You want to learn a lot about mobile networks and thereby become the most experienced student within telecommunication!

You are probably already one of the best within the telecom/IT relevant classes/courses you are attending and aspire to learn more by getting hands on and have no objection getting paid while learning.

You

- ✓ have at least 2 years remaining of your education
- ✓ are advanced user of MS-Office
- ✓ are the master of Excel and macros
- ✓ probably love programming
- ✓ are fluent in Danish and English
- ✓ able to work independently

We offer

- ✓ An interesting job
- ✓ Great environment
- ✓ A variation of tasks
- ✓ Flexibility when planning work hours, we expect from 15 hours weekly and up to your capacity.

We are looking forward to receiving your job application including CV and documented grades.
